## ABOUT NANYANG BUSINESS SCHOOL

# INNOVATE. LEAD. TRANSFORM.

A premier business school within a leading technological university, Nanyang Business School (NBS) is the nexus of world-class innovation, research, and business education.

At NBS, we innovate through interdisciplinarity, lead with cultural dexterity, and transform for sustainability.

### INNOVATE THROUGH INTERDISCIPLINARITY

Situated within the vibrant tech and innovation ecosystem of Nanyang Technological University, we are a pioneer in harnessing technology for various business domains. Our collaborative programmes emphasise interdisciplinary learning, empowering learners to address challenges like urban sustainability, supply chain resilience, healthcare, and ageing, preparing them for today's dynamic landscape.

### LEAD WITH CULTURAL DEXTERITY

Strategically based in Singapore, NBS blends Asian-Western influences in its programmes. Our world-class faculty integrates Asian heritage with business insights, emphasising cultural intelligence, Asian consumer psychology, and ASEAN studies. We shape globally minded leaders, adept at making a lasting impact across Asia and beyond.

### TRANSFORM FOR SUSTAINABILITY

Bringing together NTU Singapore's strengths in science and technology with NBS's strategic business leadership expertise, our programmes nurture purposeful leaders advocating success and ethical behaviour. Guided to transcend boundaries, these leaders drive meaningful change, creating value beyond business outcomes, and champion a journey towards sustainability in business, society, and the environment.

POWER YOUR FUTURE

# THE NANYANG FELLOWS MBA EDGE

The Nanyang Fellows MBA is a one-year full-time or two-year part-time programme designed for mid to senior leaders in the public, people, and private \* sectors.

## EQUIPPED FOR THE DIGITAL FUTURE

Technology and climate change are reshaping public services and policies to foster sustainable economic growth. As technology and sustainability integrate across sectors, public service professionals must move to digital and green technologies. The Nanyang Fellows MBA programme explores the impact of these technologies on business-government dynamics, challenging you to rethink transformation in the digital and sustainability-driven era.

## LEVERAGING PUBLIC AND PRIVATE SECTOR INSIGHTS AND BEST PRACTICES

The programme offers valuable insights into top business and public sector practices, empowering you to apply optimal leadership strategies for enhanced workplace performance. Joint classes with the Nanyang Executive MBA cohort, mainly comprising senior private sector leaders, broaden your private sector insights and network. Collaborating with a diverse range of participants from various regions enriches your perspective on the ever-changing Asian landscape.
